**BARRINGER
HIGH SCHOOL**

The 1951

NEWARK, NEW JERSEY

Athenaeum

We the seniors of Barringer High School have chosen as our theme the United Nations -- in whose hands lies the future of the world. To survive the chaos of our insecure times we must have complete and unselfish faith in the U. N. The success of this international organization is our only hope for a peaceful future. Either the nations of the world will agree to live in unity and tolerance or they will suffer the cataclysms of a Third World War. Unity and tolerance can and must be attained!

Barringer High School was our paragon of an ideal U. N., for it has proved that these ideals can be realized; under its guidance we students of all races and creeds spent four successful years living and working together in perfect harmony.

Dear Miss Geddis,
and Miss De Santis,

Thank you for your letter of 17 January 1951, and for
your interest in the United Nations.

We have been asked to say that it would be permissible
for you to use the United Nations theme for your Yearbook.
However, we could not undertake to make a statement for pub-
lication in the book, as this would establish a precedent
which we would be unable to follow.

Congratulations to the staff on their choice of theme and to
Barringer High School for proving that the principle on which the
United Nations is founded can and will work.

If we can be of any further assistance, please do not
hesitate to communicate with us again.

Very truly yours,

Josephine Frank

Our Administration

Results are what count in life.
Order your lives so that
God will always hold first place.
Effort properly directed pays good dividends, but
Remember that effort alone is not enough.

Barringer is interested in the

Success of each one of you.
After you leave Barringer, just as now,
Your ideals will determine your way of life
Love those things which are noble.
Often you can turn possible failure into success by
Repeated effort and by exercising your will to succeed.

Every person is a unique individual
Personal talents, desires, quirks need cultivation.
Help what is valuable in you to grow: prune away what
is unworthy.

Respect your own capacities.
Achieve greatly
Imitation is suicide: be yourself.
Make the most of your uniqueness.

Every person is a member of society.
Insistence on yourself may bring you into conflict with
others.

Society insists that each subdue his own good to the gen-
eral welfare.

Extreme egoism endangers society; extreme authori-
tarianism destroys individuals.

Now is the day of decision: from him who has much the
world expects much.

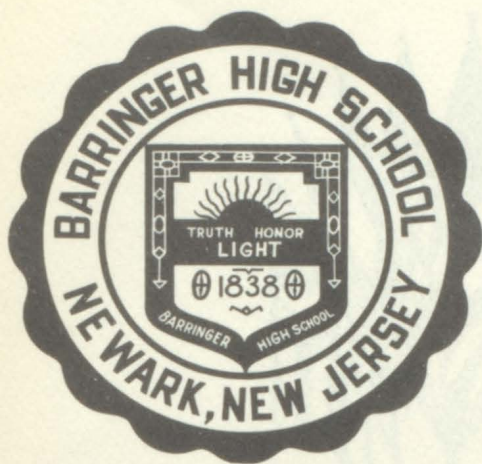

Balancing social control with individual freedom is the
central task of this generation.

Enter into the world; live not unto yourself alone.

Respect your fellow-men: they too are unique individ-
uals.

Growing up means the achievement of a happy balance
between the soul's independence and the world's
demands.

Barringer endeavors to promote understanding, tolerance and friendship among its student body.

MADGE GEDDIS

The many hours we have spent with the few faithful staff members, Mr. Palin, and Marty, our printer, will live with us in pleasant memory, stimulated whenever we turn these pages. The myriad details, the constant check-ups, the long hours, the many discussions both fatigued and rejuvenated us. But out of the complete effort we are proud of the opportunity we were given to create the record of our class.

Class History

Freshman Term

.... Lucky us, the last (well almost the last) class to enter Barringer as freshmen. It was in the fall of 1947, remember We first met in the auditorium where we were assigned to homerooms. When we were separated from our grammar school pals, we felt lost; we didn't realize that we'd be making new friends that we'd never forget This new found freedom that was ours amazed us. We pretended to take it in our stride ... Although we fellas like Frank La Para helped them spot us as freshies, no one teased us about the mythical pink elevator ... We thought ourselves well dressed. The boys teased Tanya unmercifully when she swished by in her ankle-length ballerina skirts ... Mr. Hartman's 6th period Algebra class we fondly recall with a smile. There

we had a happy medium of equations and football. Wasn't it usually Yvonne who would start him off? ... Then, Latin! Can we ever forget tall stern Mr. Haulenbeek, scholar yet humorist with his dry advice ... "Flunk now and avoid the June rush?" Remember Gerry DiDomenico's surprise when a wet fish flopped out of her notebook? That was a smelly joke ... Of course we had our crushes on football heroes ... Imagine us, the first freshman class, to attempt an outing. Rahway River Park was the happy spot ... When Report Cards came around, it was a merry time. In those days we all got A's ... When our first Award Assembly came, we wanted to change places with the Seniors, and we never would have believed they would have been glad to.

Sophomore Term

.... Our class was completed when we met our other half, the kids from the annex (this included our genius, Eddie Sheppard) ... Our forty-five minute lunch periods were appreciated after we lost them ... We discovered the Blue and White. Whether we knew it or not, it became a part of us as we were becoming a part of Barringer ... We were less timid ... At our first B. H. S. dance when the Blue Jackets played "The Night Is Young" ... we got goosepimples. The gym was so empty. How were we to know that no one came till *after* 8:30! ... Our physical appear-

ance was changing. The boys got a little taller and the girls' hair was getting lighter. They knew about H₂O₂ before chemistry ... Triangles and hypotenuses replaced equations. Everyone had Biology, and Pete Rosamilia insisted on carrying live specimens around. Osmosis was our favorite word ... Oh, happy day when we discovered gyp slips (of course we never used them) ... Oh, not so happy day when we discovered cut slips ... we liked Rahway River Park so much that we went again to end our second year.

Junior Term

.... We were in such a hurry to organize, they called us "Eager Beavers". But we did anyway ... In 3B all you heard was fff jjj, fj fj. Everybody had typing. It was Mario Valeri's favorite subject ... Mr. Kaplonski liked us so much as a U. S. History I class, he tried in vain, to keep us for History II, but Mr. Lippe had the pleasure of introducing some of us to Grant and Lee ... The class was divided on candidates John Campbell and Ben Maddaloni for Student Council President. Ben got the

Presidency and Johnny the V. P. ... When we met Shakespeare, Mr. Kritzer took pains to make *Macbeth* fun ... All girls wanted to be cheerleaders ... Boys tried out for teams. Some of us made it ... How well we remember the "haircut" Bruce received. It seems the boys thought they would like him better minus his hair ... Physics experiments seemed to drain us of all vitality, but we survived ... Everyone was a pederkle ... What a thrill to find out you made National Honor Society;

what a disappointment to find you didn't. We were maturing now; we could cope with our problems. We had our class Congress ...

Barbara and Benny were chosen "Best All-Around 3B's" ... Eddie Nicholas won State Championship in Fencing ...

Senior Year

.... We discovered each other in the fall of '50, when we became seniors ... Since our class was composed of such outstanding members, we had to vote two times for our President because Robert Ciccolini and Genaro Chiaravallo had tied ... We got our rings ... The boys were taller and seemed handsome. The girls were more conservative ... Our yearbook got under way. It was going to be so different ... The "Jack O'Lantern Jump" was sponsored by the Class of June '51. (Yep! that was us!) We'll have to be content with an imaginary picture of our skit. The camera wouldn't work just then. It's not hard to recall our class beauties in a scarecrow chorus line! Our own June Intintola won Robert Ciccolini's radio (our door prize). It was

wonderful having to make extra tickets to accommodate the large crowd ... Chemistry and Mr. Buhrman made us feel like Seniors. Barbara and Merle his two top students?!?! livened up this class as they did so many others ... our team didn't fail us. We finally saw the Old Guard Trophy from East Orange that year ... "George all the way" was heard through the halls ... The "Sheriffs" and "Mongolians" were organized in 4B with Ralph Bongo and Ed Sheppard their respective leaders ... In Mr. Rubinfeld's first period History class we always found Cupid at work ... At this Award Assembly we took our Senior Seats with eager anticipation ... Favorite song was "Abadabadabadabadaba" (Sung in Mr. Ammarell's fifth period History Class).

Barringer's

The year is 1971 and the United Nations, meeting in solemn conclave, will reveal the following fascinating information:

Orest Popovych will undoubtedly become Secretary General due to his ability to win friends and influence people. Orest will be ably assisted by *John Campbell*, who will be ably assisted by *Madge Geddis* his secretary.

Benny Maddaloni can't miss being President of the Security Council, while *Genaro Chiaravalle* is going to be delegate from the U. S. Genaro's right hand man is *Jim Murphy*, who, incidentally, has the rare ability of being able to out-talk, out-shout, and out-veto; *Vishinsky*, *Malik*, and *Gromyko* combined.

We will gladly lend *John Hansen* to Denmark to act as their delegate. (Denmark's gain is our loss?)

Bob Ciccolini and *Marquerite Sorrentino* will run the publicity department, on the side will operate "Chick's Maytag".

Dough Mc Clelland and *Diana De Santis* will edit the U. N. newspaper, which features the cartoon "Barri about the U. N." by *Lois Tankoos*.

Our two science brains, *Ed Sheppard* and *Robert Moritz* will head the Atomic Energy Commission.

Aaron Einfrank will be number one lobbyist for J.A., N.A.M., C.I.O, A.F. of L., Anti-Mongolian League, Peasants, Inc., and 10,000 other organizations.

Pete Rosamilia will be "Council Jester", understudied by *Bernice La Vigna*.

Marie Conte, *Verna Meloche*, *Kathleen Di Bernardo*, and *Woodrow Beauchamp* will head the language department.

Nick Lepore will take care of the U. N. treasury; he will be ably protected by *Eddy Nicholas* with his trusty sabre.

Diana Scholer and *Claire Devers* will be our pretty receptionists.

For Bouncers, we have *Jim Murray*, *Tony Bottone*, and *Ed Bimbo*.

On the International Labor Organization we have *Adrienne Messner* A.F. of L. and *Ed Sheppard* C.I.O.

Barbara Malanga, *Chrys Kehayes*, *Dolores Gesualdo* and *Nadine Rickerby* will act as advisors.

To pep the delegates up 4-B cheerleaders, *Mary Ann Saulle*, *Marilyn Rosamilia*, *Peter*

Own U. N.

Rosamilla, and Eileen O'Connell will form the nucleus of U. N. Cheerleading squad. Pete Cerruto and Dolores Scherr have charge of the Matrimonial Bureau.

Ralph Bongo and Jerry Di Bennedetto represent the Sheriffs while Bruce Hampson and John Collins are delegates from the Royal Order of Loyal Mongolians. The Mongolettes are represented by Mary Ann Manno.

Doug Campbell and Helen Peters are representatives from Nicks'.

The "Blue and Whites" delegation is headed by Tanya Ragonesi, Betty Zampaglione and June Intintola.

"Fleet Footed" Don Brundage will operate the messenger concession in the U. N.

Anna Bovino is the delegate from Marine Corps.

Dominick Barone will represent the "Moma-lukes".

Joe Foti and Sal Pallino will preside over the Food Council of the World.

Gereldine De Dominico heads the Civil Aviation organizations' delegation, along with Representative Christine Haight, from Minnesota.

To provide harmony during U. N. meetings the Blue Jackets will play, led by Danny Brockman and Tony Tain.

Nat Phipps and James Nardine.

Merley Russomano will write that popular gossip column "Barney about the U. N."

Frank Alfieri and Felix Martino will have charge of the clothing council.

Billy Salvatore and Tom Mancini are delegates from the "Dagmar Club".

Allen Jacobson and Bill Phipps will own the U. N. bowling alleys.

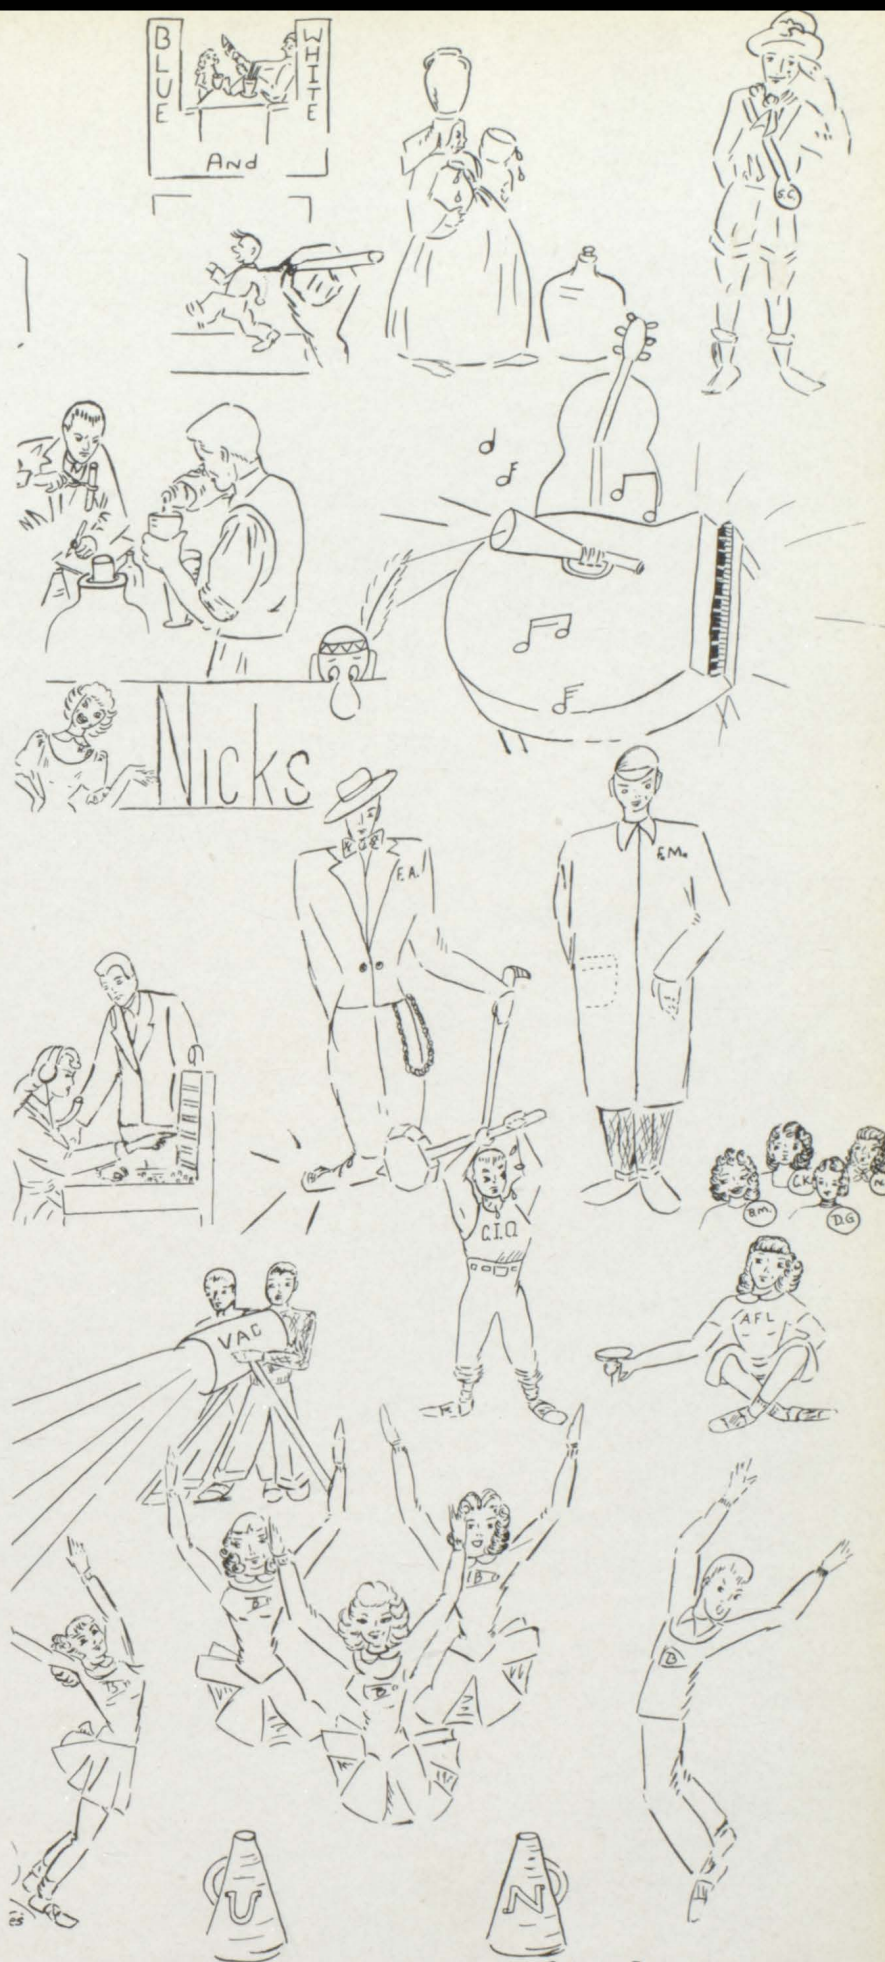

Joe Brown and Marie Abandola will direct the Communications' Commission; doing most of the communicating themselves.

The U. N. Art Board will have Marianne Saulle and Aurora Adajian as chairwomen.

Frank Quinlan and Bill Veith will continue their good job as V. A. C. crewman.

Alas! the Crystal Ball is clouding and the future is no longer visible. But we are sure that these and all the other Barringerites will find their places in the great new world that lies ahead of them and make it a better place to live in, with more Truth, Honor and Light.

Shined Dr. Saylor Shoes
The hard way.

By staying home half the term

Is by talking

By Shelly's help.

No one was looking.

My sister's notes
20-20 vision

I ran through
9/10 inspiration, 1/10
perspiration.
By smashing rocks
By allying the baloney.
With a head-first slide.

I got connections

By attending classes

I flew through

ATHLETICS

MIKE BRUZZIO

Back

Cast in the unheralded role of a blocking back, "Bruising Bruzzio" was one of the main reasons for our teams city-championship success. The great game he played in the Turkey tussle won't be forgotten for a long time.

ED BIMBO

Guard

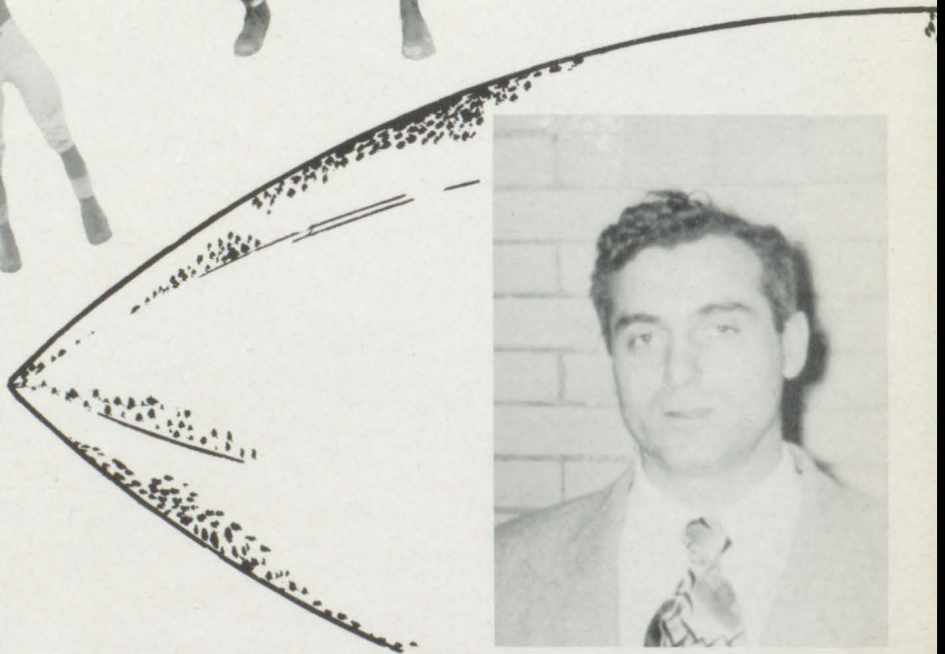

With a magic toe and some of the most devastating blocking seen in this area, hard hitting Bimbo received All-State honors and praise, as the outstanding lineman in the county.

BOB FORT

End

A team is just as good as its reserves and big Bob proved to be the number one reserve of the team. Filling in capably at left end, Bob made Mr. Naporano breathe easier and helped Barringer breathe to the City Championship.

TONY BOTTONE

End

A better all-around end could hardly be found than Mr. Bottone! Tony garnered a berth on the All-City eleven by coupling his tremendous defensive work with some high handed pass receiving.

AL ROSSI

Center

Rugged Rossi was instrumental in keeping our team on top. A quick, accurate passer, he filled his part as center more than adequately.

FOOTBALL

Coach Tony Naporano piloted one of the finest football teams ever to emerge from the Barringer gridiron into a tie for the city league championship and recognition as one of the powerhouses of the state.

Working as a smooth but rugged unit the Blue started off slowly by dropping a tilt to Montclair and deadlocking Central and West Side. Then the Blue began to roll; the rest of the city league rivals, as well as the outside competition, were easily defeated. Phillipsburg, a team rarely beaten by the Blue was decisively mauled by a count of 28-0. Eddie Bimbo with three placements and Tony Bottone with an 84 yard juant to paydirt thrilled the spectators in this one.

The climax of the Blue's successful season was the Turkey Classic in which Barringer ended the season by knocking off the East Orange Panthers by a 28-7 score. Bimbo, who booted four P. A. T.'s, and Mike Bruz-zio, who booted E. O. back on their heels, excelled in this fray.

RALPH MAZZUCA

Back

This little package of dynamite completely bewildered the bigger boys. How true the adage "Big things come in small packages."

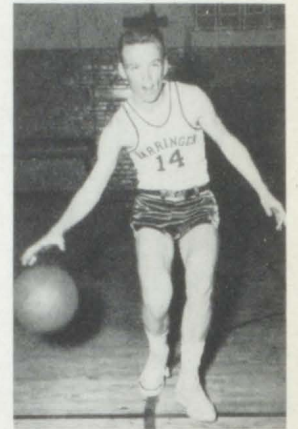

Photographs courtesy of Newark News

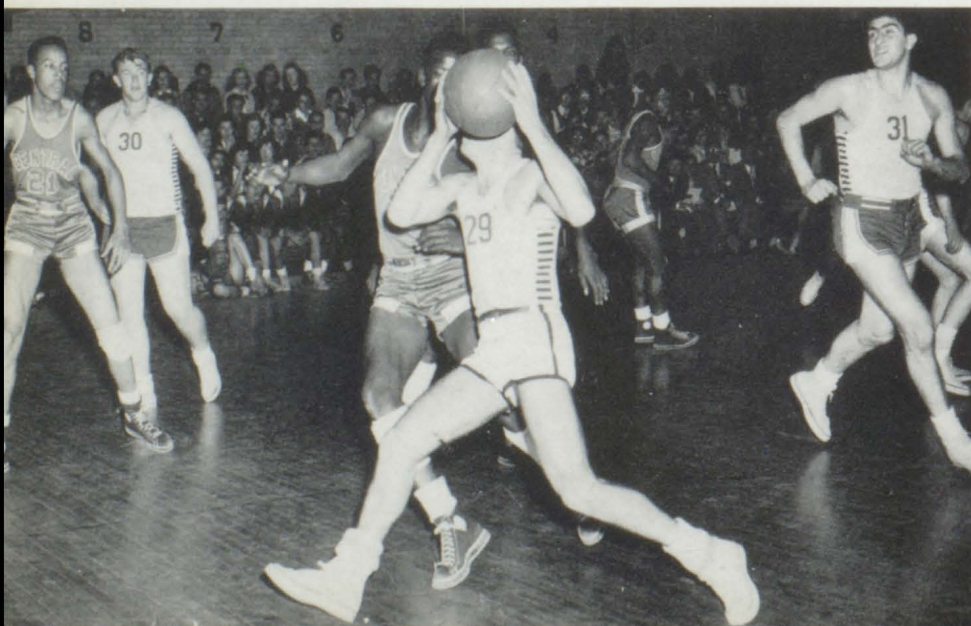

BOB LEHMAN, Guard —

Probably the best passer in the city, Bobby also is a steady shotmaker. His flashy floor game makes him a good man to have around, especially in the clutch. Barringer really had somebody in "Mr. Lehman!"

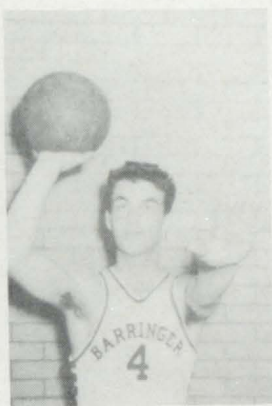

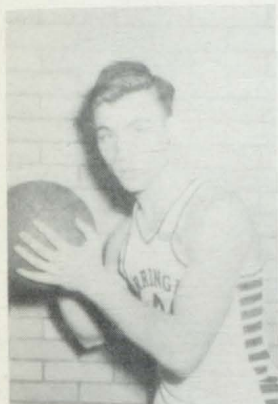

VIN GRUSKIEWICZ, Guard —

A good all-round performer Vinnie is a particularly deadly set shot. His steady, balanced game made him very valuable to the Blue.

TONY BOTTONE, *Forward* —

A rough customer under the boards and an accurate one hand push shot, Tony makes a pretty rough competitor to handle. He did most of his scoring in city league competition, and proved to be as handy a man as one could find.

JIM MURRAY —

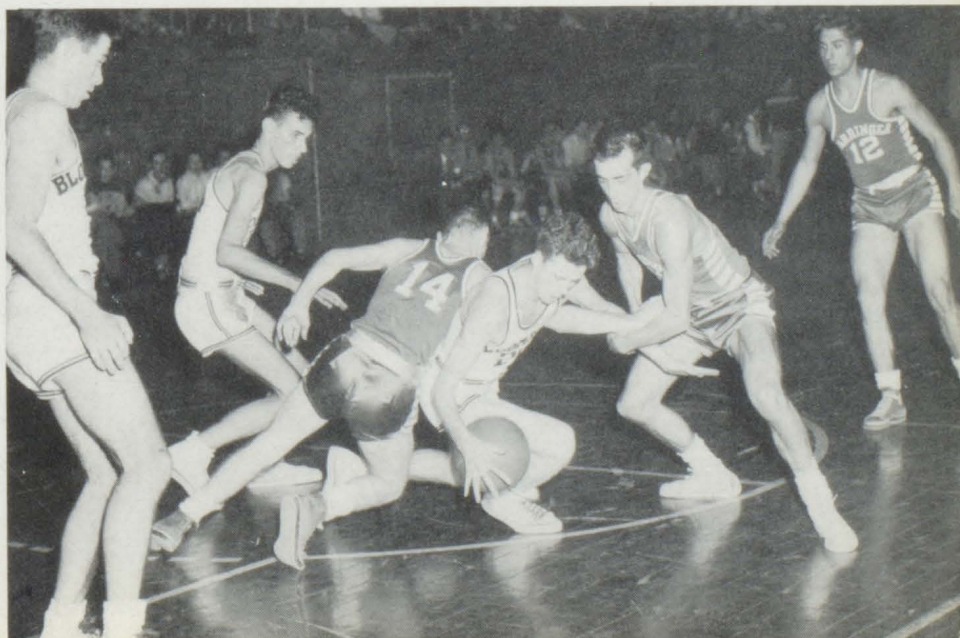

Though Jim was unable to partake in any competition during the last season because of an ankle injury, he showed tremendous potentiality in his junior year. His services were sorely missed because Jim, besides playing a stellar floor game, was one of Barringer's most prolific scorers. College basketball should be a certainty for Jim.

BASKETBALL

Unable to cope with the strong city league competition, the Blue had to find victory outside its boundaries. Coach Joe Neremberg, minus the services of his ace guard, Jim Murray, was handicapped severely by lack of height and poor student support. "WAIT 'TILL NEXT YEAR"

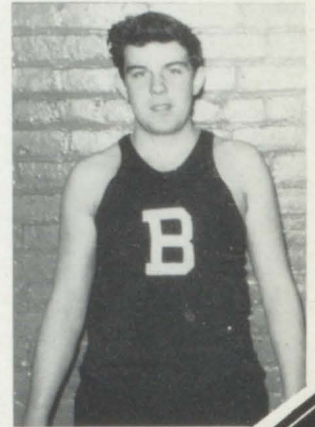

Our basketballers found solace in their ability to work as a unit and in the invaluable experience learned which could lead them to greater heights in the forthcoming season. With the parting of our four senior regulars the Blue will have to go some to have a victorious season, but they always provide plenty of surprises!

Photographs courtesy of Newark News

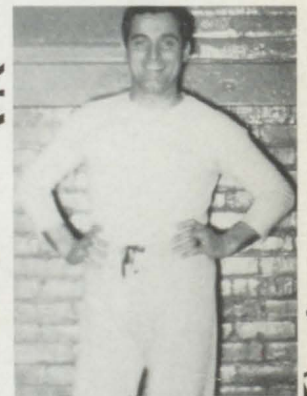

Richard Ryan — Discuss — heaves a mighty disc.

Aaron Einfrank — miler — dependable team man.

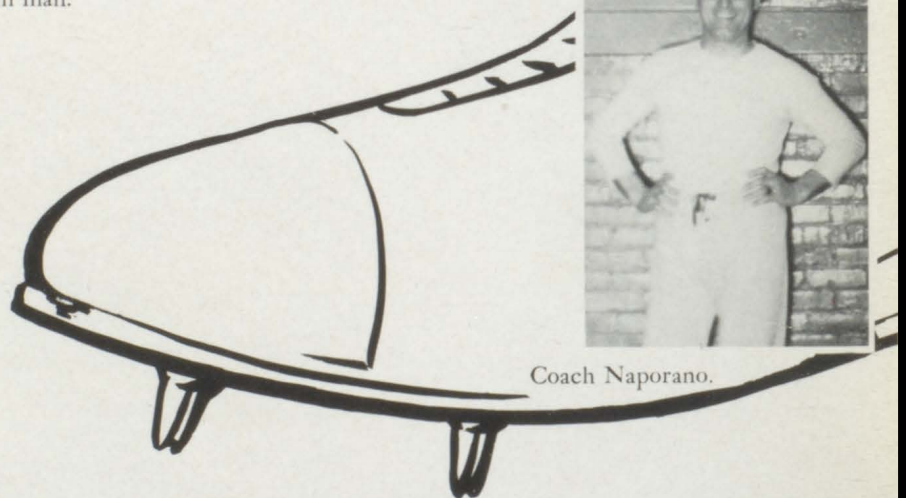

Robert Forte — Half-Miler — Long legged speedster.

Coach Naporano.

(No picture) Bill Phipps — Miler — Sturdy endurance team.

Donald Brundage — Quarter mile city champ — Barringer's answer to mercury.

(No picture) Alford Brown — Pole Vaulter — clears the bar with the greatest of ease.

Michael Bruzzio — Relay team — Stalwart of relay team.

Robert Walsh — Half-Miler — Barringer's Gazelle.

TRACK

For the second straight year, an under dog Barringer track team copped the city Championship. The Big Blue coached by Mr. Naporano, showed their true mettle, by taking the championship, despite the rain and mud which plagued them throughout the meet. The Big Blue took an early lead in the field events and went on to win, defeating a favored West Side. Not content with taking the senior title our boys also won the Junior track crown.

(No picture) Frank Megaro — Half-Miler — peppery hustler.

CROSS-COUNTRY

Autumn returned and Barringer's cross-country team once again took to the hills and dales. Although undermanned the Blue team finished their season with a four and four record. Coach Charles Allen, who worked so hard with the boys, cannot be praised enough for his efforts. Seniors spearheading the Blue Hill and Dalers are Don Brundage, Aaron Einfrank, and Bill Hunter.

DON BRUNDAGE

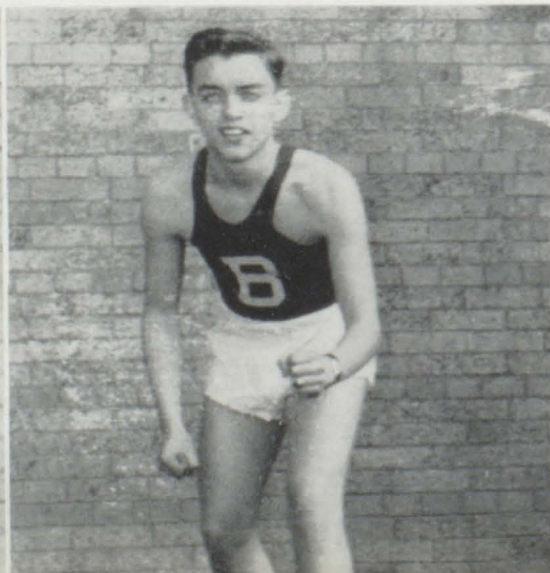

Used his track experience to strengthen the Blue Hill and Dalers.

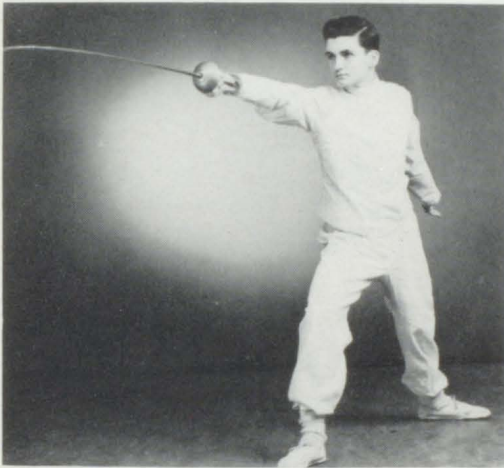

AARON EINFRAK

On the team for two seasons, always a team man.

WILLIAM HUNTER

Great Competitor. Injured in midseason, then served as manager.

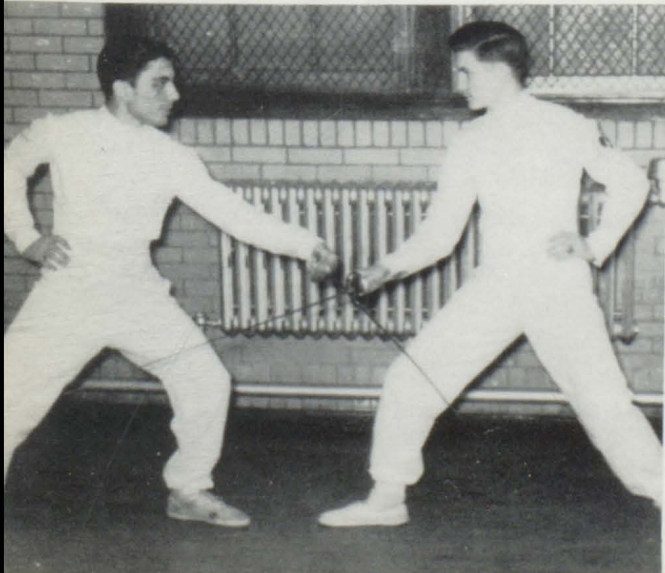

Ed Nicholas, Captain 1951

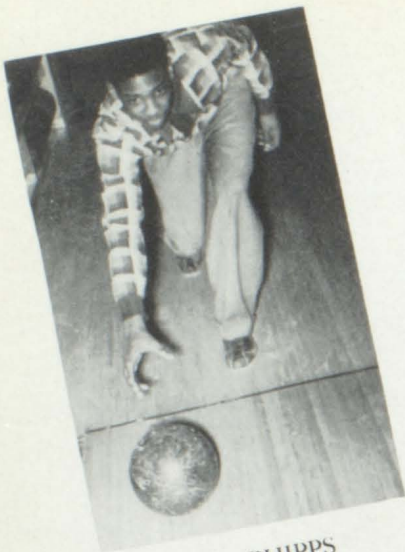

Ed has upheld the great Barringer fencing tradition by his stellar performance with the foil.

An outstanding performer for 3 years Ed holds a new record which will undoubtedly stand for many years.

FENCING

The Barringer Fencing Squad is drawing near the close of another successful season. The Blue's Foil Team has a 14-2 record in state competition, with only the state meet remaining. The Ridge Streeters are highly favored in this annual event, and Captain Ed Nicholas, who led the team to the greater part of its victories, is favored to take the State individual championship crown. In his high school career Ed has won 84 out of his 100 matches. If Barringer wins the team trophy, it will be the 24th time in 27 years, they have done so. Touchee!

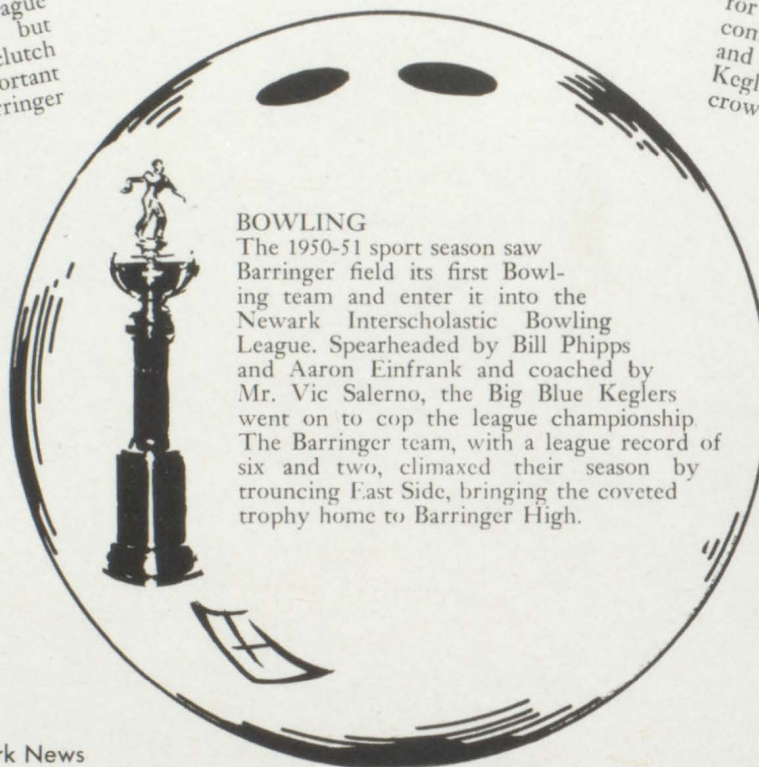

BILL PHIPPS
Bill joined the team shortly after the league began competition, but his tremendous clutch bowling was an important factor in the Barringer Victory.

AARON EINFRAK
A bowling club member for three years. Aaron combined his experience and skill to help the Blue Keglers win the city crown.

1897 - 1950

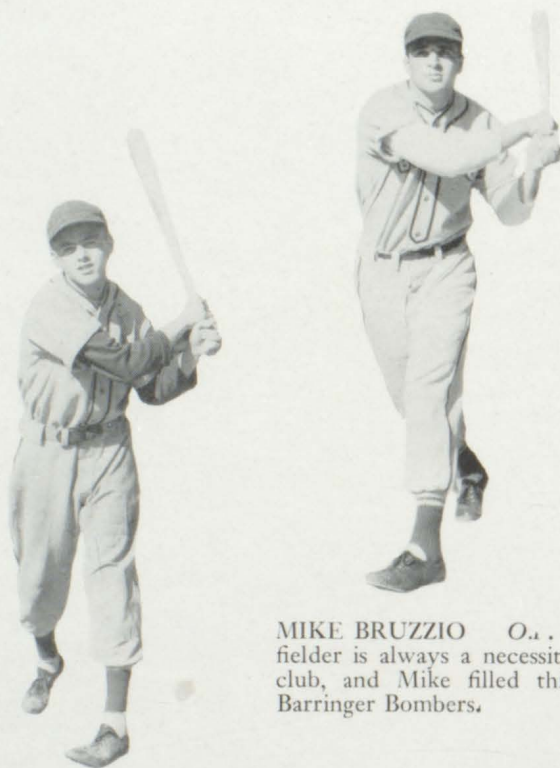

Even in sports Barringer provides a convincing record of brotherly rivalry. Symbolizing one of America's oldest high school contests, "The Old Guard" trophy is home again.

BOBBY LEHMAN — *Catcher*. Boasting All-City honors and recognition as one of the receivers in high school ball, Bob handled our twirling "Big Three" with the savvy and know-how of a pro.

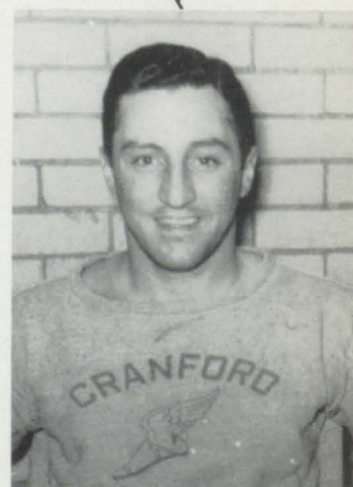

JIM MURRAY—*Pitcher-3rd-base*. Possessor of a strong arm and a mighty bat, Jimmy proved himself as one of the leading players in the county.

MIKE BRUZZIO *O.*. A hard hitting outfielder is always a necessity on a winning ball club, and Mike filled this bill well for the Barringer Bombers.

JIM PETROZZINO — *2B*. "Pet" a carbon copy Jerry Coleman used his smooth fielding to nip many potential opponent rallies in the bud.

MARIO VALERI — *Pitcher*. Big Mario, a speedballing righthander, was instrumental in the Big Blue's success on the diamond with some noteworthy clutch hurling.

RAY CAPRIO — *O.F.* A keener ball hawk than Ray couldn't be found in the City league. His whip-like arm cut down many potential scores at the plate.

Coach Sam Sedecino's Bombers are off to a flying start in their quest to make 1951 a big and fruitful sports year at Barringer. Football, track, and bowling have already yielded championship results and our baseball team has started off on the right foot.

As we go to press the Bombers are sitting on top of the city league with a five won and lone lost record and have the championship within their grasp.

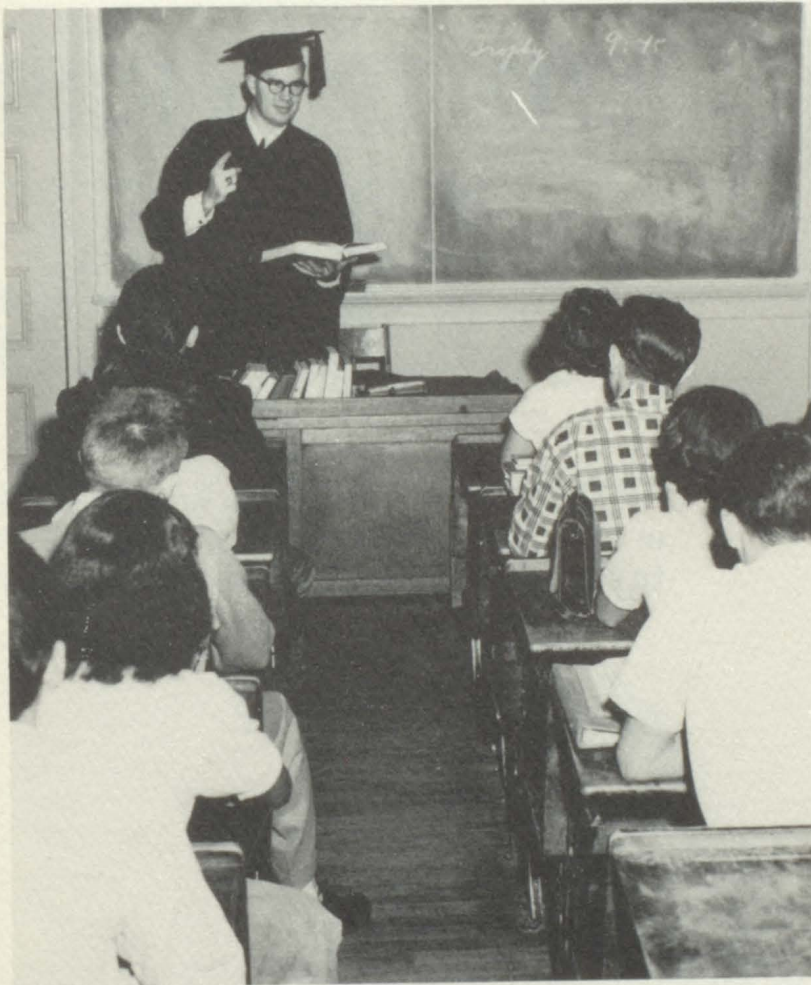

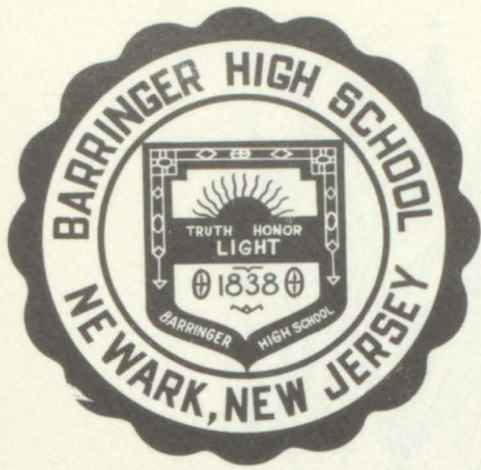

The Big Blue is led by the "Big Three" hurling staff of righties - - - Jim Murray, Ed Bimbo, and Mario Valeri. This excellent pitching is supplemented by the proven performance of outfielders Mike Bruzzio and Ray Caprio; the flashy second basing of Jimmy Petrozzino and the hitting and catching of Bob Lehman.

As they go on to prove themselves true champions they have All Barringer behind them.

ED BIMBO — *Pitcher, 3rd base*. One of the "Big Three" hurlers, Eddy supplemented this with his ability to play a bang-up game of third base and carry a lethal bat.

Barringer offers a wide variety of activities to all its students under the democratic leadership of a student council.

Captain of these high steppers is Joyce Ohlson (Top Center), her capable assistants are Annette Cascella (Lower Left), Beverly Belanger (Lower Center), Margaret Cutrone (Top Left), Phyllis Furey (Top Right).

One of the reasons for the success of the "Big Blue" was the unflagging support of this peppy group of cheerleaders. Enthusiasm, school spirit and sparkle. All of these are requirements for a top cheering squad - - - - - This gang had it!
